

# ALL ABOUT: The Oak Lawn Pavilion

February 13 & 14, 2010  
The Home Show at the Oak Lawn Pavilion  
9401 S. Oak Park Ave.  
Oak Lawn, IL 60453  
(1 block N of 95th St)

The Home ShowS has been producing this expo since 1991. Oak Lawn is the longest-running show produced annually in the Chicagoland area, along with Harper College (also produced by The Home ShowS).

This market has experienced new growth for remodeling/repairs/renovations due to its proximity to Chicago (immediately east). Older housing and rising gas prices has made rehabbing a grow market in Oak Lawn and surrounding communities (Palos, Chicago Ridge, Bridgeview, Burbank, Bedford Park and Justice) – re-gentrification of necessity, not just popular. The vast majority of homes were built before 1975. With a median age of 7 years older than the state, they tend to hire rather than ‘ToDo.’ Old mortgages, economical housing and above average stable income makes project funding easier.

How do you market to this area? The old school way. Slow and easy. Credentials dominate with an emphasis on experience. These shows produce fewer attendees yet better results.

If you assume the market's too small, you may be surprised. Residents here are just as prone to beautify and make their home as functional as any other market in Chicagoland . . . they simply may not need a big mortgage to do it.

Spend more time converting attendees to customers and you'll establish the familiarity they need to invite you to bid their work. Focus on the middle using the good-better-best approach.

Make Oak Lawn part of your marketing plan and you'll find steady work and stable contracts.

# ALL ABOUT: The **NEW** Lake County Fairgrounds

Feb 27 & 28, 2010

The Home Show at the Lake County Fairgrounds  
1060 E. Peterson Road  
Grayslake, IL

(1/2 mile west of Rt 45 - Libertyville Sports Complex)

The Home ShowS has produced this expo since 2005. It's our 1<sup>st</sup> show and our 4<sup>th</sup> year of production in Lake County – the most sought after show market in Chicagoland with good cause: Lake County has the highest Per Capita Income

in Illinois and ranks in the top 1% of the U.S.

In the heart of Lake County, the new Fairgrounds is surrounded by: Libertyville, Gurnee, Wauconda, Fox Lake, Round Lake and Lake Villa. The population has doubled in size since ~1970. Housing stock is, like many developing communities, from 35 year old homes to new developments. The majority of homes are ready for renovations and upgrades. With home values averaging over \$250,000 – that's 40% greater than any other Illinois county. The potential is great.

## The **NEW** Lake County Fairgrounds

Aside from being a great market, the Fairgrounds building is a brand new 88,000sf facility specifically designed for shows and expos, with every amenity and easy in/out access with 3 O/H doors. It's a huge sprawling complex with plenty of parking set in a beautifully landscaped area on Peterson Road, just one-half mile west of Rt. 45 – where the Libertyville Sports Complex was located.

As one of only two new exposition facilities to open outside Chicago – the other being Kane County Fairgrounds (also produced by The Home ShowS) – we guarantee the advertising and promotion will compliment your attendee needs. The dates are right. The location is great. This show will triumph, assuring our exhibitors' future and The Home Show as the leader in Lake County's for years to come.

# ALL ABOUT: Harper College

FALL: Sep 19 & 20, 2009  
SPRING: Feb 20 & 21, 2010

The Home Show at Harper Expo Hall - Bldg M  
1200 W. Algonquin Rd.  
Palatine, IL 60067

N-E corner Roselle & Algonquin Roads in Palatine

The Home ShowS has been producing this expo since 1991. Harper College is a flagship show produced twice annually (**Fall and Spring**). Ask about Fall/Spring and Multi-Show Discounts. It's also one of the two longest-running shows in

Chicagoland – Oak Lawn is the other, which is also produced by The Home ShowS.

Cook county is a dense market and the northwest suburbs provide a wealth of opportunity. While other producers battle it out for dominance in halls that host three or more home shows in the same facility, Harper is produced solely by The Home ShowS — one hall, one producer.

The Fall show is first in the market and early enough to not just log jobs, but get them done before year end. There's other shows in the area, but they're a month or more later. And, frankly, they can't compete with Harper – distinguished by nearly 20 years of shows.

The Spring dates are perfect – the beginning of March. It's PRIME season at a PRIME hall in a PRIME market (Palatine, Arlington Hts., Schaumburg, Barrington, Deer Park and Kildeer).

There's never been a show at Harper that wasn't successful, particularly when compared to others in the area. But then . . . maybe it's because The Home ShowS has always out produced the other producers. When we produce shows, our philosophy has always been big shows in small halls.

# ALL ABOUT: College of DuPage

FALL: October 3 & 4, 2009  
SPRING: March 20 & 21, 2010

The Home Show at C.O.D.  
College of Dupage  
On Park Blvd. at 23rd (College Road)  
Glen Ellyn, IL

The Home ShowS has been producing this expo since 1993. College of DuPage is centrally located in the heart of DuPage County. We produce two expos annually at C.O.D. (Fall and Spring). C.O.D. is one of our three flagship shows produced semi-annually, along with Homer Glen and Harper College (also produced by The Home ShowS). Ask about Fall/Spring and Multi-Show Discounts.

In the context of remarkable markets, DuPage County ranks 2<sup>nd</sup> in Illinois and #37 for the highest-income counties in the United States. The housing stock is well established older houses (replacement windows and doors, roofing, painting, etc.), intermixed with new homes needing finishing touches (landscaping, patios, decks, etc.). It's the best show in DuPage, and DuPage is one of the best markets in Chicagoland, Illinois, and the nation.

Contractors and tradesmen benefit from the tremendous amount of jobs the area produces (Glen Ellyn, Naperville, Lisle, Warrenville, Wheaton and Lombard). The demand and work produced in DuPage caused other producers to attempt to capture the territory with nearby home shows. They can't compete with C.O.D. – their efforts don't compare with The Home ShowS' dates, parking, accessibility, location and familiarity. Given how hot the competition is around C.O.D., we're proud of The Home ShowS' productivity and will continue to out-produce all others, in Spring or Fall.

# ALL ABOUT: The **NEW** Kane County Fairgrounds

Mar 27 & 28, 2010  
The Home Show at the Kane County Fairgrounds  
525 South Randall Road  
**St. Charles, IL**  
(N-W corner Randall Rd & Lincoln Hwy (Rt 38)  
– just S of Main St (Rt 64 - North Ave.)

The Home ShowS will produce the first home show exposition in this facility in 2009. Located in St. Charles, one of the most sought after show market in the Chicagoland suburbs, it promises to be a tremendous opportunity for our exhibitors. It offers new choices to those that have found the alternatives old or unproductive. This will be the show of shows for the northern Fox Valley area.

After our central Fox Valley show in Geneva – several years ago – many exhibitors wanted more shows there, or nearby. The Fairgrounds on Randall Road provides easy access for all major towns along the river, from So. Elgin, Geneva, Batavia and, obviously, all of St. Charles.

## The **NEW** Kane County Fairgrounds in St Charles

St. Charles is a productive market. The Kane County Fairgrounds brand new 37,000 sf facility is designed for expositions. This facility is well placed with easy access and tremendous parking. Located on Randall Road, just one-half mile south of Rt. 64 (North Ave.) – it's guaranteed to be the new heart of activity in the northern Fox Valley. Combined with Vaughan Center to the south, you'll cover the Fox Valley.

Kane County Fairgrounds is one of only two new exposition facilities outside Chicago – the other being Lake County Fairgrounds (also produced by The Home ShowS). As such, we intend to promote this facility to secure your interest and meet your exhibiting goals: leads and sales. The dates are great. The location is excellent. And, this show will prevail as the new future home of The Home Show exhibitors for years and years to come. Join us and grow your business while we grow the market.

# ALL ABOUT: Homer Glen Megaplex

**FALL:** October 17 & 18, 2009  
**SPRING:** April 10 & 11, 2010

The Home Show at Homer Glen Megaplex  
15301 S Bell Rd.  
Homer Glen, IL  
(near Tinley & Orland)

The Home ShowS has been producing this expo since 2004. Homer Glen is located in the northern part of Will County. It's one of our three flagship shows, produced twice annually (**Fall and Spring**), along with College of DuPage and Harper College (also produced by The Home ShowS). Ask about Fall/Spring and Multi-Show Discounts.

There's an even split between new and old homes for Will County. As such, this show is perfectly positioned in the right area – where there's always work for the trades. No other show is as successful in serving these communities and "home improvement" interest.

With the extension of 355 through the east side of Lockport, growth is slated to continue to the west of Homer Glen – a short distance. The Home ShowS is here to assure the opportunity to service this market will continue as well. The nearest show is much further south, and charges admission.

Many exhibitors believe this is the best show in the south suburbs. We're working hard to keep that reputation and foster even greater awareness of our expos.

# ALL ABOUT: Darien SportsPlex SE DuPage / SW Cook

April 17 & 18, 2010  
The Home Show at Darien  
451 Plainfield Road  
Darien, IL

On 75th Street between Cass Ave & Rt 83  
(Exit I-55 N on Cass or 83)

The Home ShowS has produced expositions in this facility since 2007. In the well-established communities surrounding Darien, this show dominates southeast DuPage County and southwestern Cook (ie, the County Line). This hall is in the center of wealth for communities on the County Line: Willowbrook, Burr Ridge, Indian Head Park, Countryside, Hinsdale and Oak Brook. To the north and west are dense populations of Westmont, Downers Grove, Clarendon Hills and Woodridge – all established and within minutes of Darien. It's also much more attractive than any halls to the east.

Since another producer abandoned their home show in Darien years ago, we were skeptical about moving too quickly. However, having had offices in Downers Grove since the early '80s, it gave us first-hand knowledge of the incredible density and breadth of demographics the area offers.

We knew Darien's previous history was merely the folly of poor advertising. With The Home Show as its producer, we knew our advertising plans would turn this hall into a strong and productive venue.

With no significant competition in the territory, Darien's dates in April are perfect for comfortable weather, and convenient to those with substantial home investments – and planning improvements.

#### Discounts:

Combine The Home Show at Darien with our C.O.D. show in Glen Ellyn and you'll benefit from Multi-Show discounts and cover the DuPage's finest markets.

The Home Show at Vaughan Center  
2121 W. Indian Trail Road  
West Aurora, IL  
(On Indian Trail Rd,  
between Randall & Orchard Roads)

The Home Show has produced expos in this facility since 2006. In the well-established southern Fox Valley area, this show dominates lower Kane and northern Kendall Counties, and it's solo in the market.

The 50,000 sf facility was built just prior to our first show and it's in affluent west Aurora. Vaughan Center is located just east of Randall Road and offers easy access for all major towns in Kane and Kendall Counties – Geneva, Batavia, Sugar Grove, Oswego, Yorkville, Bristol and Montgomery.

This is the last show held in Spring. As such, it captures areas not served by other shows due to travel distance (the nearest show is 11 miles north at Kane County Fairgrounds produced by The Home Show) and cost of attendance (The Home ShowS are all free).

Exhibitors serving the lower Fox Valley will find The Home Show unsurpassed in producing the best results for the advertising dollar.

## Discounts

Combine The Home Show at Vaughan Center with our St. Charles show at the new Kane County Fairgrounds up north and you'll benefit from Multi-Show Discounts and cover the entire Fox Valley.

Expand your show presence with Multi-Booth Discounts and you'll also benefit from the lowest cost per square foot of exhibit space in the area. Other discounts: Early Bird and Fall/Spring. Call for details.
